6no. H. TINKER, - - - EDITOR. THE party lash vigorously applied,

drove the appropriation veto scheme through. BRAVO'New York. In the senatorial contest now terminated, it was

brains against money, and brains have

ALL legislation that tends to the

protection and encouragement of our cattle and sheep industries will claim the approval of the people. THE present mail service along the A. & F. railroad is little better than a

burlesque. The old pony express was slower, but it was more sure. WHILE the mercury is still loafing around the cellar of the thermometers in most places, it is away up in

adversely by the senate committee, earnest in his efforts to carry them cate.

the second story in northern Arizona.

In his frantic efforts to earn a reputation for economy, the gentleman from New Jersey should remember the old proverb, "consistency is a

around the Chicago Tribune office, if taxpayers agreed with him. Now, he can only lay his hands upon the not one word was said about this imaginative liar who has been dis- measure of economy, in the governparaging Arizona in the columns of or's message, and no sooner was the that newspaper.

THE refractory polygamists of Utah may as well "throw up the sponge." The Tucker anti-Mormon bill which has now passed the house will knock the last of the "twin relics of barbarism" out of time.

attending the International Range ommendation to fund all territorial Association at Denver on Feb. 8th. indebtedness and the announcement Matters of vital import will be con- of the startling fact that we are feedsidered and the Denver people always ing our convicts for 301/2 cents per treat their visitors right royally.

Some of the southern counties seem heads to feed. manage her own local affairs.

Hiscock, who has been chosen as Senator from New York, is one of the ablest men among the house delegation of that state, in the present congress. He is a comparatively poor man, while both his recent opponents, Warner Miller and Levi P. Morton are both reputed millionaires.

Scout amounts to, but should think it "practical politics." would take the Commander-in-Chief, his staff and the whole Salvation Army to make any successful intercession for the majority of the present legislature.

THE ring master of the legislative arena at Prescott is using the whip pretty freely to keep the performers in the track laid out for them. The old party backs plod around the circle steadily, but some of the new stock show signs of restiveness. Before the performance is through the audience will see some new and startling acts not down on the programme, Houp-

THE Tombstone "Democrat," in speaking of the passage of the bill to opinion-outside of Prescott-is, that give the governor the power to vete the less there is left of this "Old Yaany clause of the appropriation bill vapai" the better: that does not suit him, says: "The Cochise delegation voted solid for the measure partially through compliment to Capt, Heyne and partly to support the governor and his administration. What excellent(?) reasons for supporting any legislative measure-to compliment the introducer and please the official who would benefit by it. Yet, perhaps, in this case no better reasons per advertising is to be discontinued could be found,

GOVERNOR ZULICK in his message says; The cost of keeping prisoners in the penitentiary has been reduced from \$1.24 to \$334 cents per capita repeal the anti-Mormon laws of that per day, As the boarders at the "pen" are constantly increasing in numbers a reduction per head in the cost of ly a unanimous vote and so must have feeding and clothing them is a matter behind it some cause that makes it of course. But the institution is costing the territory more every year. This statement is an example of the way in which figures can be made to distort truth and while relating actual facts convey an entirely false impres- law, or else in a few years there will

pied the gubernatorial chair of this division, is from the Prescott Courier: keep the fingers tight on the purse strings. But to be a political econo-Your true sportsman is the best con- mist, to rule so that the greatest servator of game and the most anx- amount of good shall accrue to the ious to see stringent laws for its pro- many, with the least burden to taxaccused the governor of being a statesman, but the people did think he was honest in his professions and that it How has the governor kept his pro-At the many receptions and ban-

quets tendered to him immediately after his appointment Mr. Zulick had two never failing topics for talk-the Indian must go and administrative nothing about the Indian question although his absurd proclamation was very damaging to Arizona and her people. Regarding economy. One of his suggestions was to dispense with the office of superintendent of public THE fool-killer can' find a job instruction and a large majority of the council organized than he sent in the name of Mr. Strauss as his nominee (who had been previously elected) for the office. The message is equally silent regarding the economical propriety of dispensing with a commissioner of immigration. In fact the only allusion to economy found in ALL stockmen will be benefitted by the document is in the general rec-

to want the legislature to give them The appointment of a commission everything they can see and a good to revise our laws; the appropriation deal they can't see. Northern Ari- of \$10,000 to the territorial industrial migration is of no more value in inrights-the privilege to regulate and measures. The fact of the matter is than a fifth wheel is to a wagon, and conciliating public opinion. Now, It seems there is a Salvation Army back, our, whilhom economic gov- most incalculable natural advantages, Scout now holding prayer meetings in ernor, is showing that he thoroughly and if our legislature will enact good, Prescott. We don't know what the understands, what a New York sound laws and the executive will see praying power of one Salvation ward politician recently defined as them enforced, with complete protec-

head less than formerly, but he for-

gets to mention that there are more

YAVAPAI county seems to be the goose which the present legislature is without the costly a inclined to plack. Phenix and Tucson tion commissioner. each want to take the capital away. Gila and Maricopa and probably Apache counties each want a slice of our new county formed wholly out of this. So that should each of these designs on us succeed there would be little

left of Old Yavapai.-Journal-Miner. The sorrowful wail of the last sentence in the above paragraph is extremely touching. "Old Yavapai," manipulating the machine that has been running "Old Yavapai" and bleeding its taxpayers. The general

Cochise county has a board of supervisors who want to put a stop to all county advertising in the newspapers. Now, if these "lossil wiseacres" could be sent out to tramp over the county, with advertising boards hung over their shoulders on which public notices were exhibited, they would partly earn their salaries. If newspain Cochise, this perambulating supervisor plan, can be confidently recommended on the ground of-economy.

Why did the Arizona Legislature Territory? We have seen no explanation of it and would be glad to know the reason. The repeal secured near-

popular. - San Francisco Alta. The present Arizona legislature is largely democratic. So is the Mormon yote-Sabe?

APIZONA needs an effective game be no game to hunt.

When C. Meyer Zulick first occu-incorrect statement regarding county

territory, he loudly and frequently Petitions for drying seas, leveling announced that he would inaugurate mountains and making cities of villaa policy of economy. This caught the ges may be uncommon, but almost a policy of economy. This caught the any scribe can draw them up and get almost every man he meets to sign into temporary popularity. Now there them. Like complying with requests is no cheaper way for a public man to "take something" few there are to get an ephemeral reputation than who refuse to sign petitions, and so, by talking "economy." It does not we are told, this Legislature will be require a large amount of brains to things, -the most foolish of which will be to cut and slash counties at request of gentlemen who desire to be big men in proposed new counties. The Courier with all due respect for the willing signers of petitions, desires to impress the Legislature with the payers-that is statesmanship. No one fact of the ease and grace with which American citizens sign every petition that is presented to them. It costs nothing to do so; that is very little, and nobody cares to offend circulators was not beyond his ability to check a thereof by issuing the word "no." So, reckless expenditure of public money. our Salons will consult the interests of lots of sovereigns by following the advice of an old-time speaker of the House and putting most of said documents "upon a file."

Arizonjans have, just now, all the county governments they can support. To create more would put more hardships upon the workers who pay the taxes. Yavapai is, of course, a couneconomy. He rung the changes on ty of great area and possibilities, but these subjects until we thought that the time has not yet arrived for trim-THE Warner Miller contagious cat- if the new governor had only two ing or dividing her. She is honestly the disease bill has been reported on ideas he was the more likely to be and carefully financiered and we pray adversely by the senate committee carpest in his efforts to committee the c "jump from the frying pan into the Another blow at the Chicago syndi- out. But those who trusted in his fire." There is lots of glory in being tures: sincerity were mistaken. I'We will say a great county,-the Empire county of Arizona, and very little in being a sawed off realm, with hungry schemers filling out railroad and other bonds.

and nonsensical reasoning. Among \$4.00. those who are in favor of division, men in a new county." The taxpayers here feel they are justly entitled to it and among those who ask for it are all of our representative men be cause it will do away with many inconveniences and largely reduce the sum of \$1.00. rate of taxation. Mr. Ashurst is doing what his constituents expect him to do, that is work by every honorable and just means to obtain a new county for this portion of Arizona. The arguments in favor of division are irrefutable; Yavapai occupies more than one fourth of the area of the of its whole population; it has double the same post office.

For example, any person subscribing for the combination of the CHAMPION, Globest rounding Prescott. Justice demands that the county should be divided.

THE office of commissioner of imexposition, are not very economic creasing the growth of this territory, that when Governor Zulick professed the legislature will act wisely in abolto be such a radical economist, he ishing it. Its duties have hitherto was surrounded by officials, many of been ably conducted, but the nine or whom belonged to the opposite polit- ten thousand dollars expended for it ical party and he saw the necessity of during the last two years has been so much money wasted.
